

LAUREL COUNTY HOMECOMING

2025 Laurel County Homecoming Food Vendor Guidelines

Each vendor must agree to the following rules & regulations:

1) Registration deadline is **August 1st, 2025**, however, spaces are LIMITED and will be granted on a first-come first-serve basis according to those who meet requirements. **Applications must be reviewed and you will be contacted if approved.**

2) Booths must be set up before 6:00 p.m. Friday, Aug. 9th. If Saturday only between 8:00am-10:00pm.

3) Booths **must be in operation** from: **6:00 p.m. until 11:00 p.m. Friday Aug 8th, 11:00 a.m. – 30 minutes after the Miss Laurel County Homecoming Pageant is over Saturday August 9th.**

In order to limit the confusion, we ask that you **DO NOT** break down the booth until events are over for the night. Leaving during the course of the events will be disturbing to other vendors as well as the visitors at the event. If you leave you will forfeit your ability to set up at future events. Think of this before you commit to being a vendor.

4) Vendors must supply a copy of the menu along with application. A price list is also required for all menu items. Once menus are turned in, changes in the food list and prices will not be permitted. Remember you need to be cost effective in your pricing. Refrain from changing a higher price than the average cost at a local restaurant for the same items. We want you to make a profit but be aware of our market as well.

5) Vendor placement will be based on available logistical support at any given site. Vendors must supply all electrical requirements (amps, voltage, outlets). Also indicate if you need water.

6) Vendors must meet or exceed **Laurel County Health Department Guidelines** including enhanced COVID-19 protocols.

7) Vendors must send in a **photograph of their complete set up** with their application.

8) No vehicles will be allowed in the food vendor parking area without parking passes. No Exceptions!

9) Vendors are responsible for providing their own outdoor rated, heavy duty electrical extension cord(s) from the power source to the portable unit, tables, chairs, tents, coverings and any other items necessary for the production of and selling of your products.

10) Vendors cannot exceed the number of amps submitted on the application.

11) Vendors are responsible for making all members of their group aware of all rules & regulations.

12) Vendors are responsible for providing and maintaining a safe, clean & professional operation at all times.

Parking: Vendors will receive two parking passes for the event. These will give you access to the vendor parking lot. No more than two vehicles per vendor will be allowed in this lot due to space limitations. Only cars, trucks, & storage trailers will be allowed in this lot. If you forget your passes at home, more passes will NOT be issued on site. Motor homes or campers must be parked off site.

Check-In: Your vendor lot is pre-determined by the information you provide. A Check-in station will be available. Please report there before beginning to set up. Please consider the number of vehicles attempting to load and unload during this time. Move your vehicles in & out in a timely manner.

Restocking: You will be allowed to bring your storage vehicles on-site during the specified restocking hours ONLY. Those hours are before 3:00pm on Friday, from 7:00 am until 9:00 am on Saturday and Sunday. Vehicle access exceptions will not be made.

I have thoroughly read, understand and agree to abide by the above listed items. I will not hold the Levi Jackson State Park, its employees, and agents or the Laurel County Homecoming, its Board of Directors or volunteers responsible for any accident or injury to me personally, my employees or volunteers, or damage or theft of my equipment.
